

## JOSEPH VIDYA KSHETRA SENIOR SECONDARY SCHOOL

Subject: MATHEMATICS

DECEMBER ACADEMIC PLANNER

CLASS: SR.KG II

### Week 2

WEEK	TOPIC	LEARNING FOCUS & SKILLS	ACTIVITIES / MATERIALS	CLASSWORK & ASSIGNMENT	LEARNING OUTCOME
Week 2	Days of the Week (Order, Today/Tomorrow/Yesterday)	Cognitive: Sequencing, recognition, recall of 7 days. Language: Pronunciation and oral spelling. Conceptual: Understanding before/after of days.	Activity: "Spin the Day" game with spinner/wheel. Materials: Day flashcards, large wall chart of the week cycle, craft materials for a "Day Chain".	Classwork: Fill in the blanks (e.g., "Monday comes after _____"). Assignment: Draw a picture for an activity done on each day (e.g., Sunday–play, Monday–school).	Child recites the days of the week in order and correctly identifies "today," "yesterday," and "tomorrow."

### Week 3

WEEK	TOPIC	LEARNING FOCUS & SKILLS	ACTIVITIES / MATERIALS	CLASSWORK & ASSIGNMENT	LEARNING OUTCOME
Week 3	Months of the Year (Recitation and Number)	Cognitive: Rote learning and recall of 12 months. Mathematics: Recognizing the number of months (12) and their serial number (e.g., December is the 12th).	Activity: "Months Train" (Children stand in a line and recite their assigned month). Materials: "Months Calendar Chart," coloring sheets of each month with related festival/weather, action songs for months.	Classwork: Write the number of months in a year. Assignment: Color the given picture representing their birth month and tell the class its name.	Child recites the names of the twelve months and knows that there are 12 months in a year.
